Steve walks warily down the street with the brim pulled
way down low
Ain't no sound but the sound of his feet, machine gun's
ready to go
Are you ready? Hey, are you ready for this?
Are you hanging on the edge of your seat?
Out of the doorway the bullets rip to the sound of the
beat, Yeah
Another one bites the dust
Another one bites the dust
And another one gone
And another one gone
Another one bites the dust
Hey, I'm gonna get you too
Another one bites the dust

How do you think I'm gonna get along without you when
you're gone?
You took me for everything that I had and kicked me
out on my own
Are you happy? Are you satisfied?
How long can you stand the heat?
Out of the doorway the bullets rip to the sound of the
beat (Look out)
Another one bites the dust
Another one bites the dust
And another one gone
And another one gone
Another one bites the dust
Hey, I'm gonna get you too
Another one bites the dust

HEY
Oh, take it
Bite the dust
Bite the dust yeah

Hey
Another one bites the dust
Another one bites the dust, oh
Another one bites the dust, hey, hey
Another one bites the dust, heeeey

Oh, shoot out

There are plenty of ways you can hurt a man and bring
him to the ground
You can beat him, you can cheat him
You can treat him bad and leave him when he's down
But I'm ready, yes I'm ready for you
I'm standing on my own two feet
Out of the doorway the bullets rip, repeating the sound
of the beat. Oh yeeeah
Another one bites the dust
Another one bites the dust
And another one gone
And another one gone
Another one bites the dust
Hey, I'm gonna get you too
Another one bites the dust
Shoot it
Hey
Alright
