Words and music by brian may and tim staffell

She won our hearts the arts she loved
Is painting pictures for free
When she was done she hung them up
For all the children to see
Goodbye april lady
Its been good to have you around
Goodbye april lady
Youve done a lot for the folks in this town
The children learned to read
She strung their beads
Its sorry she was the one
As you can see isnt she good
She dont leave nothing undone
Goodbye april lady
Its been good to have you around
Goodbye april lady
Youve done a lot for the folks in this town
She taught them all to love
She was their cream
And we dont want her to go
But we know too well
She fell in love
And theres no stopping her so
Goodbye april lady
Its been good to have you around
Goodbye april lady
Youve done a lot for the folks in this town
Goodbye april lady...
