She won our hearts the art she loved  
Is painting pictures free  
When she was done she hung them up  
For all the children to see

Goodbye April Lady  
It's been good to have you around  
Goodbye April Lady  
You've done alot for the folks in this town

Children learned to read  
She strung their beads  
It's sorry she was the one  
As you can isn't she good  
She don't leave nothing undone

repeat

She taught them all to love  
She was their cream  
And we don't want her to go  
But we know too well  
She fell in love  
And there's no stopping her now
