OO Lets go!

Steve walks warily down the street,  
with the brim pulled way down low  
Ain't no sound but the sound of his feet,  
machine guns ready to go  
Are you ready, Are you ready for this  
Are you hanging on the edge of your seat  
Out of the doorway the bullets rip  
To the sound of the beat yeah

(Chorus)

Another one bites the dust  
Another one bites the dust  
And another one gone, and another one gone  
Another one bites the dust  
Hey, I'm gonna get you too  
Another one bites the dust

How do you think I'm going to get along,  
without you, when you're gone  
You took me for everything that I had,  
and kicked me out on my own  
Are you happy, are you satisfied  
How long can you stand the heat

Out of the doorway the bullets rip  
To the sound of the beat

Chorus

Another one bites the dust  
Another one bites the dust ow  
Another one bites the dust hey hey  
Another one bites the dust heeeeeey

There are plenty of ways you can hurt a man  
And bring him to the ground  
You can beat him  
You can cheat him  
You can treat him bad and leave him  
When he's down

But I'm ready, yes I'm ready for you  
I'm standing on my own two feet  
Out of the doorway the bullets rip  
repeating the sound of the beat
