Is this the real life, is this just fantasy  
Caught in a landslide, no escape from reality  
Open your eyes, look up to the skies and see  
I'm just a poor boy, I need no sympathy  
Because I'm easy come, easy go, little high, little low  
Anyway the wind blows, doesn't really matter to me, to  
me

Mama, just killed a man, put a gun against his head,  
Pulled my trigger now he's dead  
Mama, life had just begun  
But now I've gone and thrown it all away

Mama ooh... Didn't mean to make you cry  
If I'm not back again this time tomorrow  
Carry on, carry on, as if nothing really matters

Too late, my time has come, sends shivers down my  
spine  
Body's aching all the time  
Goodbye everybody, I've got to go  
Gotta leave you all behind and face the truth  
Mama ooh (any way the wind blows)  
I don't want to die, I sometimes wish I'd never been  
born at all

I see a little silhouette of a man  
Scaramouche, scaramouche, will you do the Fandango  
Thunderbolt and lightning, very very frightening thing  
Galileo (Galileo)  
Galileo (Galileo)  
Galileo figaro (Magnifico)  
But I'm just a poor boy and nobody loves me  
He's just a poor boy from a poor family  
Spare him his life from this monstrosity  
Easy come, easy go, will you let me go  
Bismillah! No, we will not let you go, let him go  
Bismillah! We will not let you go, let him go  
Bismillah! We will not let you go, let me go  
Will not let you go, let me go  
Will not let you go let me go

No, no, no, no, no, no, no  
Mama mia, mama mia, mama mia let me go  
Beelzebub has a devil put aside for me, for me, for me

So you think you can stone me and spit in my eye  
So you think you can love me and leave me to die  
Oh baby, can't do this to me baby  
Just gotta get out, just gotta get right out of here

Nothing really matters, anyone can see  
Nothing really matters, nothing really matters to me  
Any way the wind blows.
