is this is real life?
is this just fantasy?
caught in a landside
no escape from reality.
open your eyes
look up to the skies and see.

i'm just a poor boy
i need no sympathy.
because i'm easy come easy go
little high little low.
anyway the wind blows
doesnt really matter to me
to me

Mamma
just killed a man
put a gun against his head
pulled my trigger now he's dead
Mamma
life had just begun
but now i've gone and thrown it all away

Mamma! Oooohhh
didn't mean to make you cry
if i'm not back again this time tomorrow
Carry on carry on
as if nothing really matters
Too late
my time has come
sends shivers down my spine
body's aching all the time
Good bye everybody
I've got to go
Gotta leave you all behind and face the truth

Mamma! Oooooohhh (anyway the wind blows)
i don't wanna die
sometimes wish i'd never been born at all

I see a little silowetto of a man

Scawlonmushe Scawlonmushe
Will you do the fandango?
thunderbolt of lightning
very very frightening me
Galelao Galelao Galelao Galelao Galelao figaro!
Magnifico o o o o

i'm just a poor boy
nobody loves me
he's just a poor boy from a poor family
spare him his life from his monstrosity

easy come easy go will you let me go?
Makes me laugh no!
we will not let you go
Let him go!
Makes me laugh
we will not let you go
Let him go!
Makes me laugh
we will not let you go
Let me go!
will not let you go
let me go!
will not let you go
let me go o o o
no no no no no no no!

o Mamma mia Mamma mia
Mamma mia let me go!
Beelzebub has a devil put aside for me for me for me

So you think you can stone me and spit in my eye?
So you think you can love me and leave me to die?
Oh baby
can't do this to me baby
Just gotta get out
Just gotta get right out of here

Oooooo
oh yea
oh yea

Nothing really matters
Anyone can see
nothing really matters
nothing really matters
to me

anyway the wind blows
