Words and music by queen

When love breaks up
When the dawn light wakes up
A new life is born
Somehow I have to make this final breakthrough
Now

I wake up
Feel just fine
Your face
Fills my mind
I get religion quick
Cos you're looking divine
Honey you're touching something you're touching me
Im under your thumb under your spell can't you see
If I could only reach you
If I could make you smile
If I could only reach you
That would really be a breakthrough - oh yeah

Breakthrough these barriers of pain
Breakthrough to the sunshine from the rain
Make my feelings known towards you
Turn my heart inside and out for you now
Somehow I have to make this final breakthrough
Now!

Your smile speaks books to me
I break up
With each and every one of your looks at me
Honey you're starting something deep inside of me
Honey you're sparking something this fire in me
Im outta control
I wanna rush headlong into this ecstasy
If I could only reach you
If I could make you smile
If I could only reach you
That would really be a breakthrough

If I could only reach you
If I could make you smile

If I could only reach you
That would really be a breakthrough
Oh yeah
Breakthrough breakthrough

If I could only reach you
If I could make you smile
If I could only reach you
That would really be a breakthrough

If I could only reach you
If I could make you smile
If I could only reach you
That would really be a breakthrough
