Welcome into my queendom (my queendom), come  
one come all  
When it comes to lyrics I bring them (I bring them)  
In spring I sing, in fall I call out to  
All the ones who had a hard day  
I prepared a place on my dance floor  
The time is now for you to par-tay  
I thought it would be a good chance for you to move  
(one nation under a groove) house music always  
soothes  
So get with the flow, lets go, yo  
Can you rock to a house groove tempo?  
If so, then shall we let the games begin?  
What better off position can you be in?  
Im on fire, the flames too hot to douse  
The pool is over, come into my house

Don't make me wait, come into my house  
Give me body (repeat 2x)

Heres a dance step, from now I'll kick a  
Bass and treble flow through the speakers  
Ride the rhythm, I know it's gonna reach ya  
Im the queen, latifah  
Now it's time to run through it  
45 king? (yeah, baby? ) cue it  
Yeah, there you go, I told you you could do it  
Now did you enjoy it? (that was cool) I knew it  
Dance to the beat of the drum, give me some  
With the flavor unit Ive come to say ride the grooveline  
Don't swing the pipeline, listen to the smooth line  
Throw away the white line  
Its a house party Im hosting (what? )  
Come and rock with the one that's chosen  
It can't turn me inside out (uh uh)  
For those that dare, come into my house

Don't make me wait, come into my house  
Give me body (repeat 2x)

Its a new fusion Im using

You ask what is it Im doing?  
Hip-hop house, hip-hop jazz, with a little pizzazz  
]from the queen, the queen of royal badness  
Remember me from wrath of my madness?  
Its my rap that rocks this party  
Im a hijack and jack your body  
This is not an erotic interlude  
Keep in mind I move multitudes  
The asiatic black woman, hardcore beat drumming  
Its hard to keep a good woman down, so I keep coming  
Blow for blow, I take and I get some  
Still I rise in a civilized wisdom  
I hope the lyrical display has you around  
Its an open invitation, come into my house

Don't make me wait, come into my house  
Give me body (repeat 4x)
