

## Queen "Cool Cat"

You're taking all the sunshine away  
Making out like you're the mainline. I knew that  
'Cos you're a cool cat  
Tapping on the toe with a new hat  
Just cruising, driving along with the swing king  
Feeling the beat of my heart  
Feeling the beat of my heart

You're a cool cat  
Coming on strong with all the chit-chat  
You're alright  
Hanging out and stealing all the limelight  
Messing with the beat of my heart  
Messing with the beat of my heart

You used to be a mean kid  
Making such a deal of life  
You were wishing and hoping and waiting to really hit  
the big time  
But did it happen, happen? No  
You're speeding too fast  
Slow down, slow down  
You'd better slow down  
Slow down

You really know how to set the mood  
And you really get inside the groove  
Cool cat  
Tapping on the toe with a new hat  
Just cruising, driving along like the swing king  
Feeling the beat of my heart  
Feeling the beat of my heart  
Feeling the beat of my heart, can you feel it?  
Feeling the beat of my heart  
Feeling the beat of my heart  
Feeling, feeling, feeling  
Feel, slow down
