Fool always jumping never happy where you land  
Fool got my bus'ness make your living where you can  
Hurry down the highway  
Hurry down the road  
Hurry past the people staring  
Hurry hurry hurry hurry

Leave on time leave on time  
Never got your ticket but you leave on time  
Leave on time leave on time  
Gonna get your ticket but you leave on time  
Put it in your pocket but you never can tell

Leave on time leave on time  
Shake that rattle gonna leave on time  
Leave on time leave on time  
Fight your battle but you leave on time  
Leave on time leave on time  
Never got a minute no you never got a minute  
No you never never got on no matter

Fool got no bus'ness hanging round and telling lies  
Fool you got no reasons but you got no compromise  
Stamping  
Gotta get out gotta get out gotta get out  
Oh you know I'm going crazy

Leave on time leave on time  
Gotta get ahead but you leave on time  
Leave on time leave on time  
Gonna head on ahead but you leave on time  
Leave on time leave on time  
You're running in the red but you never can tell

Leave on time leave on time  
Gotta get rich gonna leave on time  
Leave on time leave on time  
But you can't take it with you when you leave on time  
Leave on time leave on time  
Got to keep yourself alive gotta leave on time  
Gotta leave on time leave on time

Dead on time  
'You're Dead
