Delilah, Delilah  
Oh my, oh my, oh my - you're irresistible

You make me smile when I'm just about to cry  
You bring me hope, you make me laugh - you like it  
You get away with murder, so innocent  
But when you throw a moody you're all claws and you  
bite -  
That's alright  
Delilah, Delilah  
Oh my, oh my, oh my - you're unpredictable

You make me so very happy  
When you cuddle up and go to sleep beside me  
And then you make me slightly mad  
When you pee all over my Chippendale Suite  
Delilah, Delilah  
Hey - Hey - Hey

You take over my house and home  
You even try to answer my telephone  
Delilah, you're the apple of my eyes  
Meeow, Meeow, Meeow  
Delilah - I love you

Oh you make me so very happy - you give me kisses  
And I go out of my mind ooh

Meeow, Meeow, Meeow, Meeow  
You're irresistible - I love you Delilah  
Delilah - I love you

You make me very happy

Ooh - I love your kisses  
Ooh - I love your kisses
