Words and music by roger taylor

Dont lose your head
Dont lose your head
Dont lose your head
Dont lose your head
No dont lose you head
Dont lose you head
Hear what I say
Dont lose your way - yeah
Remember loves stronger remember love walks tall
Dont lose your heart
Dont lose your heart
No dont lose your heart
Dont lose your heart
Hear what I say
Hear what I say - yeah
Dont lose your way
Dont lose your way - yeah
Remember loves stronger remember love walks
through
Walls
Dont drink and drive my car
Dont get breathalised
Dont lose your head
If you make it to the top and you wanna stay alive
Dont lose your head
Dont lose your head
Dont lose your head
Dont lose your head
No dont lose your head
Dont lose your head
Hear what I say
Hear what I say - yeah
Dont lose your way
Hey dont lose your way
Remember loves stronger remember love conquers all
Dont lose your head
Dont lose your head
Dont lose your head
Dont lose your head
Dont lose your head

Dont lose your head
