Intro:

Tonight I'm gonna have myself a real good time
I feel ali la la la live
and the world
turnin' inside out, yeah, and floating
around in ecstasy. So don't stop me now.
Don't stop me 'cause I'm havin' a good time,
having a good time.

Vers 1:

I'm a shooting star leaping trough the sky,
like a tiger, defying the laws of gravity.
I'm a racing car, passing by like lady Godiva.
I'm gonna go, go, go. There's no stoppin' me.
I'm burning through the sky, yeah.
Two hundred degrees, thats why they call me mister
Fahrenheit. I'm trav'ling at the speed of light.
I wanna make a supersonic man out of you.

Chorus:

Don't stop me now, I'm havin' such a good time,
I'm havin a ball. Don't stop me now, if you wanna have
a good time, just give me a call.
Don't stop me now.
Don't stop me now.
I don't wanna stop at all.

Vers 2:

I'm a rocket ship on my way to mars, on a colision
course. I'm a satellite, I'm out of control, I'm
a sex machine ready to reload, like an atom bomb,
about to oh, oh, oh oh, oh, explode.
I'm burning through the sky, yeah.
Two hundred degrees, thats why they call me mister
Fahrenheit. I'm trav'ling at the speed of light.
I wanna make a supersonic woman of you.

Interlude:

Don't stop me, Don't stop me, Don't stop me , Don't stop
me, Don't stop me, ooh, ooh, ooh, Don't stop me,
have good time, good time. Don't stop me, Don't stop

me, Ah!

Vers 3: (instrumental)

Chorus:

Don't stop me now, I'm havin' such a good time,
I'm havin a ball. Don't stop me now, if you wanna have
a good time, just give me a call.

Don't stop me now.

Don't stop me now.

I don't wanna stop at all.

Coda:

La la la la la (etc.)
