Oh I used to be your baby
Used to be your pride and joy
You used to take me dancing
Just like any other boy
But now you've found another partner
You left me like a broken toy

Oh it's someone else you're taking
Someone else you're playing to
Honey tho' I'm aching
Know just what I have to do
If I can't have you when I'm waking
I'll go to sleep and dream I'm with you

Oh take me take me
Take me to the dreamers ball
I'll be right on time
And I'll dress so fine
You're gonna love me when you see me
I won't have to worry
Take me take me
Promise not to wake me till it's morning

It's all been true

What d'you say about that hey honey
You gonna take me to that dreamers ball
I'd like that
Right on that 42nd Street
Way down downtown dreamers ball

Oh take me take me
Take me I'm your playing now
Make my life worthwhile
With the slightest smile
Or destroy me with the barely
Perceptible whisper
Gently take me
Remember I'll be dreaming of my baby
At the dreamers ball

Oh take me hold me

Remember what you told me
You'd meet me at the dreamers ball
Meet you at the dreamers ball
