[queen latifah]

You asked, I came, so behold the queen  
Lets add a little sense to the scene  
Im living positive, not out here knocked up  
But the lines are so dangerous, I ought to be locked up  
This rhyme doesnt't require prime time  
Im just sharing thoughts of mine  
Back again cause I knew you wanted it  
]from the latifah with the queen in front of it  
Dropping bombs, you're up in arms, you're puzzled  
The lines will flow like fluid while you're guzzling  
The sip I drop you on a bdp-produced track  
]from krs to be exact  
Its a flavor unit quest that today has me speaking  
Cause it's knowledge Im seeking  
Enough about myself, I think it's time that I tell you  
About the evil that men do

Situations, reality, what a concept!  
Nothing ever seems to stay in step  
So today, here is a message to my sisters and brothers  
Here are some things I want to cover  
A woman strives for a better life, but who the hell  
cares?  
Because she's living on welfare  
I government can't come up with a decent housing plan  
So she's in no mans land  
Its a sucker who tells you you're equal

[krs-one]

You don't need him, johannasburgs crying for  
freedom!

[queen latifah]

We the people hold these truths to be self-evident

[krs-one]

But there's no response from the president

[queen latifah]

Someones living the good life, tax-free

Except for a girl, can't find a way to be crack free  
And that's just part of the message  
I thought I had to send you about the evil that men do

Tell me, don't you think it's a shame?  
When someone can put a quarter in a video game  
But when a homeless person approaches you on the  
street  
You can't treat him the same  
Its time to teach the def, the dumb, the blind  
That black-on-black crime only shackles and binds  
You to a doom, a fate worse than death  
But there's still time left  
Stop putting your conscience on cease  
And bring about some type of peace  
Not only in your heart, but also in your mind  
It will benefit all mandkind  
Then there will be one thing that will never stop  
And it's the evil that men do
