A word in your ear, from father to son
Hear the words that I say
I fought with you, fought on your side
Long before you were born
Joyful the sound, the word goes around
From father to son, to son
And the voice is so clear, time after time it keeps
Calling you, calling you on
Don't destroy what you see, your country to be
Just keep building on the ground that's been won
Kings will be crowned and the word goes around
From father to son, to son
Take this letter that I give you
Take it sonny, hold it high
You won't understand a word that's in it
But you'll write it all again before you die
A word in your ear from father to son
Funny you don't hear a single word I say

But my letter to you, will stay by your side
Through the years till the loneliness is gone
Sing if you will, but the air you breathe I live to give you
Father to son
Father to, father to, father to son
Joyful the sound, the word goes around
From father to son, to son
Kings will be crowned, the word goes around
From father to son, to son
Joyful the sound, the word goes around
From father to son, to son
Joyful the sound, the word goes around
From father to son, to son
Joyful the sound, the word goes around
From father to son, to son
Kings will be crowned, the word goes around
From father to son, to son
