Another red letter day,  
So the pound has dropped and the children are  
creating,  
The other half ran away,  
Taking all the cash and leaving you with the lumber,  
Got a pain in the chest,  
Doctors on strike what you need is a rest.

It's not easy love, but you've got friends you can trust,  
Friends will be friends,  
When you're in need of love they give you care and  
attention,  
Friends will be friends,  
When you're through with life and all hope is lost,  
Hold out your hand cos friends will be friends right till  
the end.

Now it's a beautiful day,  
The postman delivered a letter from your lover,  
Only a phone call away,  
You tried to track him down but somebody stole his  
number,  
As a matter of fact,  
You're getting used to life without him in your way.

It's so easy now, cos you got friends you can trust,  
Friends will be friends,  
When you're in need of love they give you care and  
attention,  
Friends will be friends,  
When you're through with life and all hope is lost,  
Hold out your hand cos friends will be friends right till  
the end.

It's so easy now, cos you got friends you can trust,  
Friends will be friends,  
When you're in need of love they give you care and  
attention,  
Friends will be friends,  
When you're through with life and all hope is lost,  
Hold out your hand cos friends will be friends right till

the end.

Friends will be friends,  
When you're in need of love they give you care and  
attention,  
Friends will be friends,  
When you're through with life and all hope is lost,  
Hold out your hand cos right till the end -  
Friends will be friends
