Dont let go, dont lose your mystique,
Wait a little longer,
Tomorrow brings another feast,
Dont let go, dont lose your reputation,
Thank God youre still alive,
Youre still in one piece,
Hang on in there, dont lose your appetite,
Hang on in there, forget the danger signs,
Fray for that magical moment and it will appear
(dont fight for lost emotions,)
Wait for the sunrise,
And everything will seem so clear,
(look straight ahead, look straight ahead,)
Hang on in there, hang on in there, hang on in there,
Your wish will be granted,
All your problems will disappear,
Dont be a fool, you havent reached your peak,
You got a fast car racing up inside you,
Your life is incomplete,
Hang on in there, hang on in there,
Fray for that magical moment and it will appear
(wait for that moment),
Wait for the sunrise,
Just wait and see and it will seem so clear,
Lets go, lets go - ok now do the change now,
Yeah, hang on in there,
Hang on in there etc.
