I can't live with you  
But I can't live without you -  
I can't let you stay  
But I can't live if you go away  
I don't know just how it goes  
All I know is I can't live with you  
I'm having a hard time  
I'm walking a fine line  
Between hope and despair  
You may think that I don't care -  
But I travelled a long road to  
Get a hold of my sorrow  
I tried to catch a dream  
But nothing's what it seems  
Love is saying baby it's all right  
When deep inside you're really petrified  
Lover turns to hater  
On this escalator  
I can't live with you  
But I can't live without you  
I can't breathe - if you stay  
But I can't bear you to go away  
I don't know what time it is  
All I know is I can't live with you  
We're stuck in a bad polace  
We're trapped in a rat race  
And we can't escape  
Maybe there's been some mistake  
We're trying to make a high score  
We're walking through a closed door  
And nobody's winning -  
We're just sinning against ourselves  
Hold on baby tell me it's all right  
Anger's breaking from the hurt inside  
Passions screaming hotter  
Doin' what we gotta do - yeah  
I can't live with you, I can't live with you  
I can't live, I can't live  
I can't, I can't live with you  
But baby I'll never ever leave you  
I can't live with you

But I can't live without you -  
Cause I'm in love with you  
And everything about you  
I can't live with you  
No I just can't live, I just can't live,  
I can't live with you,  
And I can't live without you  
Through the madness, through the tears  
We've still got each other  
For a million years
