Words and music by queen

When the outside temperature rises
And the meaning is oh so clear
One thousand and one yellow daffodils
Begin to dance in front of you - oh dear
Are they trying to tell you something
You're missing that one final screw
You're simply not in the pink my dear
To be honest you haven't got a clue

Im going slightly mad
Im going slightly mad
It finally happened - happened
It finally happened - ooh oh
It finally happened
Im slightly mad
Oh dear

Im one card short of a full deck
Im not quite the shilling
One wave short of a shipwreck
Im not my usual top billing
Im coming down with a fever
Im really out to sea
This kettle is boiling over
I think Im a banana tree
Oh dear

Im going slightly mad
Im going slightly mad
It finally happened - happened
It finally happened - uh huh
It finally happened
Im slightly mad
Oh dear

Ooh ooh ah ah
Ooh ooh ah ah
Im knitting with only one needle
Unravelling fast it's true
Im driving only three wheels these days

But my dear how about you

Im going slightly mad

Im going slightly mad

It finally happened

It finally happened - oh yes

It finally happened

Im slightly mad

Just very slightly mad

And there you have it
