I don't want my freedom
There's no reason for living with a broken heart.

This is a tricky situation --
I've only got myself to blame
It's just a simple fact of life
It can happen to anyone --

You win -- you lose
It's a chance you have to take with love
Oh yeah -- I fell in love
But now you say it's over and I'm falling apart.

It's a hard life
To be true lovers together
To love and live forever in each others hearts --
It's a long hard fight
To learn to care for each other
To trust in one another right from the start
When you're in love --

I try and mend the broken pieces
I try to fight back the tears
They say it's just a state of mind
But it happens to everyone --

How it hurts -- deep inside
When your love has cut you down to size
Life is tough -- on your own
Now I'm waiting for something to fall from the skies
Waiting for love.

Yes it's a hard life
Two lovers together
To love and live forever in each others hearts
It's a long hard fight
To learn to care for each other
To trust in one another -- right from the start
When you're in love --
Yes it's a hard life
In a world that's filled with sorrow

There are people searching for love in every way --

It's a long hard fight --

But I'll always live for tomorrow

I'll look back on myself and say I did it for love

Yes I did it for love -- for love -- oh I did it for love
