it's the things u do make me cling to u cause i know it's

and anytime your not an ordinary lover u give me
sometimes keep me so satisfied

I'm over whelemed by the way that u handle cause i

when it's this good everything everything is alright

Chorus

When your here i don't' fear i feel so safe and secure u
feel good in my arms and i know , your the one

Chorus

How do I know your never go , you've got to be the one
for me i always pray that u will stay so baby , don't u go
How do I know your never go , you've got to be the one
for me i always pray that u will stay so baby don't' u go
