### Scene 1

You say you love me  
And I hardly know your name  
And if I say I love in the candle light  
There's no one but myself to blame  
But there's something inside  
That's turning my mind away  
Woh oh how I could love you  
If I could let you stay

### Chorus

It's late - but I'm bleeding deep inside  
It's late - is it just my sickly pride  
Too late - even now the feeling seems to steal away  
So late - though I'm crying I can't help but hear you say  
It's late, It's late, It's late  
But not too late

### Scene 2

The way you love me  
Is the sweetest love around  
But after all this time  
The more I'm trying  
The more I seem to let you down  
Now you tell me you're leaving  
And I just can't believe that it's true  
Oh you know that I can love you  
Though I know I can't be true  
Oh you made me love you  
Don't tell me that we're through

### Chorus

It's late - and it's driving me so mad  
It's late - Yes i know but don't try to tell me that it's

Too late - save our love you can't turn out the light  
So late - I've been wrong but I'll learn to be right  
It's late, It's late, It's late  
But not too late

- I've been so long  
- You've been so long

- We've been so long tryin' to work it out
- I ain't got long
- You ain't got long
- We've gotta know what this life's all about

### Scene 3

You're staring at me  
With suspicion in your eye  
You say what game are you playing?  
What's this that you're saying?  
I know that I can't reply  
If I take you tonight  
Is it making my life a lie?  
Oh you make me wonder  
Did I live my life right

### Chorus

It's late - but it's time to set me free  
It's late - Ooo yes i know but there's no way it has to be  
Too late - so let the fire take our bodies on this night  
So late - let the waters take our guilt in the tide  
It's late It's late It's late It's late  
It's late It's late It's late  
It's all too late
