She keeps Moët et Chandon
In a pretty cabinet
"Let them eat cake", she says
Just like Marie Antoinette
Building a remedy
For Khrushchev and Kennedy
At anytime an invitation
You can't decline

Caviar and cigarettes
Well versed in etiquette
Extraordinarily nice

Chorus:
She's a killer queen
Gunpowder, Gelatine
Dynamite with a laser beam
Guaranteed to blow your mind (Anytime)

Recommended at the price
Insatiable in appetite
Wanna try?

To avoid complications
She never kept the same address
In conversation
She spoke just like a baroness
Met a man from China
Went down to Geisha Minor

But then again incidentally
If you're that way inclined

Perfume came naturally from Paris (naturally)
For cars she couldn't care less
Fastidious and precise

Chorus:
She's a killer queen
Gunpowder, gelatine
Dynamite with a laser beam
Guaranteed to blow your mind (Anytime)

Drop of a hat she's as willing as
Playful as a pussy cat
Then momentarily out of action
Temporarily out of gas
She'll absolutely drive you wild, wild...
She's out to get you

Chorus:

She's a killer queen
Gunpowder, gelatine
Dynamite with a laser beam
Guaranteed to blow your mind (Anytime)

Recommended at the price
Insatiable in appetite
Wanna try?
You wanna try.
