I have sinned dear Father Father I have sinned  
Try and help me Father  
Won't you let me in? Liar  
Nobody believes me Liar  
Why don't they leave me alone?  
Sire I have stolen stolen many times  
Raised my voice in anger  
When I know I never should  
Liar oh ev'rybody deceives me  
Liar why don't you leave me alone?

Liar I have sailed the seas  
Liar from Mars to Mercury  
Liar I have drunk the wine  
Liar time after time  
Liar you're lying to me  
Liar you're lying to me  
Father please forgive me  
You know you'll never leave me  
Please will you direct me in the right way  
Liar liar liar liar  
Liar that's what they keep calling me  
Liar liar liar

Listen are you gonna listen?  
Mama I'm gonna be your slave  
All day long  
Mama I'm gonna try behave  
All day long  
Mama gonna be your slave  
All day long  
I'm gonna serve you till your dying day  
All day long  
I'm gonna keep you till you dying day  
All day long  
I'm gonna kneel down by your side and pray  
All day long and pray  
All day long and pray  
All day long all day long all day long  
All day long all day long all day long

All day long all day long all day long  
Liar liar they never let you win
