"Oooh oooh oooh oooh oooh yeah
Yeah
Oh, every morning, I face the sun
I lift my head and smile at everyone
Every afternoon you'll find me working on
I got my new shoes on
Got to be moving on - that's what they say
Every night I'm tossed
And I shake my fevered brow
Thinking of my lost opportunity

Oh yeah
Oooh

Yes every morning I face the sun
And I get so positive with everyone
Oh and every afternoon you'll find the cracks showing
through
They know what I'm going through
Oh yes they do
Every evening finds me
The optimist behind me
On with my lost opportunity."
