Love of my life - you've hurt me

You've broken my heart and now you leave me

Love of my life can't you see

Bring it back bring it back

Don't take it away from me because you don't know - what it means to me.

Love of my life don't leave me

You've taken my love you now desert me

Love of my life can't you see

Bring it back bring it back

Don't take it away from me because you don't know - what it means to me.

You won't remember When this is blown over
And everything's all by the way
When I get older
I will be there at your side to remind you
how I still love you - still love you

Back - hurry back

Please bring it back home to me

because you don't know what it means to me-Love of my life Love of my life... Visit **Queen** page on MotoLyrics.com, to get more lyrics and videos.
