It's a Machine's world  
Don't tell me I ain't got no soul  
When the machines take over  
It ain't no place for you and me.

They tell me I don't care  
But deep inside I'm just a man  
They freeze me they burn me  
They squeeze me they stress me  
With smoke-blackened pistons of steel they compress  
me  
But no-one, but no-one, but no-one can wrest me away  
Back to Humans.

We have no disease, no troubles of mind  
No thank you please, no regard for the time  
We never cry, we never retreat  
We have no conception of love or defeat.

What's that Machine noise  
It's bytes and megachips for tea  
It's that Machine, boys  
With Random Access Memory  
Never worry, never mind  
Not for money, not for gold.

It's software it's hardware  
It's heartbeat is time-share  
It's midwife's a disk drive  
It's sex-life is quantised  
It's self-perpetuating a parahumanoidarianised.

Back to Humans  
Back to Humans.

Back to Machines.

Living in a new world  
Thinking in the past  
Living in a new world  
How you gonna last

Machine world...  
It's a Machine's world...

Change.
