I've been there before  
A long time ago  
But this time I wear no sandals  
Ages past I gave all you people  
Food and water  
Three feet tall, so very small  
I'm no trouble  
I bring thunder and lightning  
Sun and the rain  
For all the people in the land  
A message of love  
I bring you from up above  
All you children gather around  
Come join your hands and sing along  
They call me mad the swine  
I guess I'm mad the swine  
I've come to save you  
Save you  
Mad the swine  
Mad the swine  
So all you people gather around  
Hold out your hands and praise the lord  
I walk upon the water  
Just as before  
I help the meek and the mild  
The believers and the blind  
And all the creatures great and small

Let me take you to the river  
Without a fall  
Then one day you'll realise  
You're all the same within his eyes  
That's all I've got to say  
Just like before  
They call me mad the swine  
Mad the swine  
Come to save you  
Save you  
Mad the swine  
Mad the swine  
So all you people gather around  
Hold out your hands and praise the lord

So all you people gather around  
Hold out your hands and praise the lord  
Don't ever fail me  
Mad the swine  
Mad the swine  
Come to save you  
Save you  
Mad the swine  
Mad the swine  
So all you people gather around  
Hold out your hands and praise the lord  
Hands and praise the lord
