In the land where horses born with eagle wings
And honey bees have lost their stings
There's singing forever to you
Lions den with fallow deer
And rivers made from wines so clear
Flow on and on forever
Dragons fly like sparrows thru' the air
And baby lambs where Samson dares
To go on on on on on on

My fairy king can see things
He rules the air and turns the tides
That are not there for you and me
Ooh yeah he guides the winds
My fairy king can do right and nothing wrong

Then came man to savage in the night
To run like thieves and to kill like knives
To take away the power from the magic hand

To bring about the ruin to the promised land

They turn the milk into sour
Like the blue on the blood of my veins
Why can't you see it
Fire burnin' in hell with the cry of a streaming pain
Son of heaven set me free and let me go
Sea turns dry no salt from sand
Seasons find no helping hand
Teeth don't shine like pearls for poor man's eye, no more.

Someone someone has drained the colour from my wings
Broken my fairy circle ring
And shamed the king in all his pride
Changed the winds and wronged the tides
Mother mercury
Look what they've done to me
I cannot run I cannot hide
