"This is where we are today
People going separate ways
This is the way things are now
In disarray
I read it in the papers
There's death on every page
Oh Lord, I thank the Lord above
My life has been saved, eeah eah

Here we go
Tellin' lies
Here we go - here we go

We're right back where we started from

People going separate ways
This is the way things are now
In disarray - hey
I read it in the papers
There's death on every page
Aah - oh Lord, I thank you from above
My life has been saved
Ooh ooh ooh ooh my life
My life has been saved
Ooh my my life
My life has been saved."
