Another party 's over -
And I'm left cold sober -
My baby left me for somebody new -
I don't wanna talk about it
Want to forget about it
Wanna be intoxicated with that special brew -
So come and get me -
Let me -
Get in that sinking feeling
That says my heart is on an all time low - So -
Don't expect me -
To behave perfectly -
And wear that sunny smile
My guess is I'm in for a cloudy and overcast
Don't try and stop me
Cause I'm heading for that stormy weather soon -
I'm causing a mild sensation -
With this new occupation
I'm permanently glued -
To this extraordinary mood
so now moveover -
And let me take over -
With my
melancoly blues -

I'm causing a mild sensation
With this new occupation
I'm in the news
Just getting used to this new exposure
So come into my enclosure
And meet my -
Melancoly blues -
