Here I stand  
Look around around around  
But you won't see me

Now I'm here, Now I'm there, I'm just a

Just a new man  
Yes you made me live again

A baby I was when you took my hand  
And the light of the night burned bright  
And the people all stared didn't understand  
But you knew my name on sight

Whatever came of you and me  
America's new bride to be - don't worry baby I'm safe  
and sound

Down in the dungeon just Peaches 'n' me  
Don't I love her so

A thin moon me in a smoke-screen sky  
Where the beams of your lovelight chase  
Don't move, don't speak, don't feel no pain  
With a rain running down my face

Your matches still light up the sky  
And many a tear lives on in my eye

Down in the city just Hoople 'n' me  
Don't I love him so

Whatever comes of you and me  
I love to leave my memory with you

Now I'm here  
Think I'll stay around around around  
We'll be down in the city justa you 'n' me  
Don't I love you so
