Now once upon a time
An old man told me a fable
When the piper is gone
And the soup is cold upon the table
And if the black crow flies
Find a new destination
That is the sign
Come tonight
Come to the ogre site
Come to ogre battle fight
He gives a great big cry
And he can swallow up the ocean
With mighty tongue he catches flies
And the palm of his hand incredible size
One great big eye
Has to focus in your direction
Now the battle is won
Yeah yeah yeah
Come tonight
Come to the ogre site
Come to ogre battle fight

Ah ah ah ah ah
The ogre men are still inside
The two way mirror mountain
You gotta keep down
Right out of sight
You can't see in but they can see out
Keep a look out
The ogre men are coming out
From the two way mirror mountain
They're running up behind
And they're coming all about
Can't go east 'cause you gotta go south
Ogre men are going home
The great big fight is over
Bugle blow that trumpet cry
Oh oh oh
Ogre Battle lives for ever more
You can come along
You can come along
Come to ogre battle
