Ooh, ooh, pain is so close to pleasure, oh yeah
Sunshine and rainy weather go hand in hand together
all your life
Ooh, ooh, pain is so close to pleasure everybody knows
One day we love each other then we're fighting one
another all the time
When I was young and just getting started
And people talked to me they sounded broken hearted
Then I grew up and got my imagination
And all I wanted was to start a new relation
So in love but love had a bad reaction
I was looking for some good old satisfaction
But pain is all I got when all I needed was some love
and affection
Ooh, ooh, pain is so close to pleasure, yeah, yeah
Sunshine and rainy weather go hand in hand together
all your life
Pain and pleasure
Ooh, ooh pain and pleasure
When your plans go wrong and you turn out the light
But inside of your mind you have to put up a fight
Where are the answers that we're all searching for
There's nothing in this world to be sure of anymore
Somedays you're feeling good, somedays you're
feeling bad
But if you're feeling happy someone else is always sad
Let the sweetness of love wipe the tears from your face
For better for worse, so let's make the best of the rest
of our years
Ooh, ooh, pain is so close to pleasure, I told you so
Sunshine and rainy weather go hand in hand together
all your life
Pain and pleasure ooh, ooh, pain is so close to
pleasure, yeah, yeah
Sunshine and rainy weather go hand in hand together
all your life
All your life.
Pain - pleasure...
