Scandal, now you left me all the world's gonna know  
Scandal, they're gonna turn our lives into a freak show  
They'll see the heartache  
They'll see the love break  
They'll hear me pleading  
We'll say for God sake  
Over and over and over again  
Scandal, now you left me there's no healing the  
wounds  
Scandal, and all the world can make us out to be fools  
Here come the bad news  
Open the flood gates  
They'll leave us bleeding  
We say you cheapskates  
Over and over and over again  
So let them know when they stare  
It's just a private affair  
They'll have us hung in the air  
And tell me what do they care  
It's only a life to be twisted and broken  
They'll see the heartache  
They'll see our love break yeah  
They'll hear me pleading  
I'll say for God sakes  
Over and over and over and over again  
Scandal, scandal, scandal  
Scandal, yes your breaking my heart again  
Today the headlines  
Tomorrow hard times  
And no-one ever really knows the truth from the lies  
And in the end the story deeper must hide  
Deeper and deeper and deeper inside  
Scandal, scandal
