(K.J.Garside C.Gray)

Rags and riches I made three wishes,
I've been a bad girl and I kissed the witches,
I dance naked with animals I've seen more than you,
Ever dreamed possible.

I've seen her I've breathe inside her,
I've seen her adreena,
I've seen her adreena.

Hags and bitches I made three wishes,
I've been a bad girl and I broke the dishes,
I dance naked with animals I've seen more than you,
Ever dreamed possible.

I've seen her I've grown her seeds,
I've been her adreena,
I've seen her adreena.

Rags and riches I made three wishes,
I've been a bad girl and kissed the witches,
I dance naked with animals I've seen more than you,
Ever dreamed possible,
I've seen her I breathe inside her,
I've been her adreena,
I've seen her adreena,
I've seen her,
I sowed her dreams,
I've been her adreena,
I've seen her Adreena.
