Surf's up, school's out
I got a criminal urge to twist and shout

I've been searching my whole life through
For some perfect dream imagined in my youth

(Follow that dream
Surf's up, school's out
Surf's up, school's out)

For a perfect life, find a perfect girl
You gotta follow that dream to a perfect world
I've been a searcher, an adventurer too
This ride still runs, I wanna ride with you

This ride still runs, wanna ride with you

(Follow that dream
Surf's up, school's out
Surf's up, school's out)

In the town and the country
We all lay and dreamed our dreams

Then we found the world is tough
And all is not quite what it seems
Gotta take it by the horns
Gotta seize your precious day
Gotta follow your dream

(Follow that dream
Follow that dream
Follow that dream
Surf's up, school's out
Follow that dream
Surf's up, school's out
Surf's up
Follow that dream
Surf's up, school's out
Surf's up, school's out
Follow that dream)

Follow that dream
