Words and music by brian may and roger taylor

Oh my love weve had our share of tears
Oh my friend weve had our hopes and fears
Oh my friends its been a long hard year
But now its christmas
Yes its christmas
Thank God its christmas

The moon and stars seem awful cold and bright
Lets hope the snow will make this christmas right
My friend the world will share this special night
Because its christmas
Yes its christmas
Thank God its christmas
For one night

Thank God its christmas yeah
Thank God its christmas
Thank God its christmas
Can it be christmas?
Let it be christmas
Evry day

Oh my love weve lived in troubled days
Oh my friend we have the strangest ways
All my friends on this one day of days
Thank God its christmas
Yes its christmas
Thank God its christmas
For one day

Thank God its christmas
Yes its christmas
Thank God its christmas
Oooh yeah
Thank God its christmas
Yes yes yes yes its christmas
Thank God its christmas
For one day

A very merry christmas to you all
