(Album: Queen, 1973)

"When I was young it came to me  
And I could see the sun breakin'  
Lucy was high and so was I dazzling  
Holding the world inside  
Once I believed in everyone  
Everyone and anyone can see

Oh oh the night comes down  
And I get afraid of losing my way  
Oh oh the night comes down  
Oooh and it's dark again

Once I could laugh with everyone

Once I could see the good in me  
The black and the white distinctively colouring  
Holding the world inside  
Now all the world is grey to me  
Nobody can see - you gotta believe it

Oh (oh) oh (oh) the night comes down  
And I get afraid of losing my way  
Oh oh the night comes down  
Oooh and it's dark again  
And it's dark again  
And it's dark again."
