Sometimes I get to feelin'  
I was back in the old days- long ago  
When we were kids when we were young  
Thing seemed so perfect - you know  
The days were endless we were crazy we were young  
The sun was always shinin' - we just lived for fun

Sometimes it seems like lately - I just don't know  
The rest of my life's been just a show

Those were the days of our lives  
The bad things in life were so few  
Those days are all gone now  
But one thing is true  
When I look and I find  
I still love you

You can't turn back the clock  
You can't turn back the tide  
Ain't that a shame  
I'd like to go back one time

On a roller coaster ride  
When life was just a game  
No use in sitting and thinkin' on what you did  
When you can lay back and enjoy it through your kids

Sometimes it seems like lately - I just don't know  
Better sit back and go with the flow

These are the days of our lives  
They've flown in the swiftness of time  
Those days are all gone now  
But some things remain  
When I look and I find no change

Those were the days of our lives - yeah  
The bad things in life were so few  
Those days are all gone now  
But one thing's still true  
When I look and I find  
I still love you

I still love you
