Pressure pushing down on me
Pressing down on you no man ask for
Under pressure - that burns a building down
Splits a family in two
Puts people on street

It's the terror of knowing
What this world is about
Watching some good friends
Screaming let me out
Pray tomorrow - gets me higher
Pressure on people - people on streets

Chippin' around - kick my brains around the floor
These are the days it never rains but it pours
People on streets - people on streets

It's the terror of knowing
What this world is about
Watching some good friends
Screaming let me out
Pray tomorrow - gets me higher

Pressure on people - people on streets

Turned away from it all like a blind man
Sat on a fence but it don't work
Keep coming up with love but it's so slashed and torn

Why - why - why
Love

Insanity laughs under pressure we're cracking
Can't we give ourselves one more chance
Why can't we give love
Cos love's such an old fashioned word
And love dares you to care for
The people on the edge of the light
And love dares you to change our way of
Caring about ourselves
This is our last dance
This is our last dance

This is ourselves
Under pressure
Under pressure
Pressure
