[Queen Latifah]  
Weekend love  
Caught up in a weekend love  
Weekend love  
Just a case of weekend love  
[Queen Latifah]  
If you've been misled  
by Anything I said  
Didn't mean to turn you on  
The vibe was oh so strong  
You've got things to do  
And I have got things too  
So I'll catch you on the weekend  
Mondays to Fridays OUT I don't see you then  
(TONY REBEL)  
A W-E-E-K and a E-N-D  
And a L-O-V-E we were meant to be  
A W-E-E-K, a E-N-D  
L-O-V-E we were meant to be  
[Queen Latifah]  
Weekend love  
CAUGHT UP IN a weekend love  
Weekend love  
Just a case of weekend love  
[Queen Latifah]  
Seems it's been so long  
Since you thrilled me with your charms  
I tenderly imagine me  
Resting in your arms  
You've got things to do  
And I have got things too  
So I'll catch you on the weekend  
Mondays to Fridays, OUT I don't see you then  
[TONY REBEL]  
Because we're sorry when we part  
And we GLAD when we meet  
Although we only do that fi once a di week

Sorry when we part  
And we glad when we meet  
Although we only do that mi se once a di week

[TONY REBEL]

I know, you know  
We are occupied  
From our love life  
Things have been denied  
Many feelings hide  
Many tears I've cried  
But on the weekend  
That must be rectified

[Queen Latifah]

Weekend love  
Caught up in a weekend love (maybe someday it will  
change)  
Weekend love  
Just a case of weekend love

[Queen Latifah]

If you've been misled  
By anything I've said  
Didn't mean to turn you on  
The vibe was oh so strong  
You've got things to do  
And I have got things too  
So I'll catch you on the weekend  
Mondays to Fridays out I don't see you then

When we are absent that is a plus when we're present  
So nourish and cherish every moment  
To deliver the goods I am efficient  
And I know you're possessed with the ingredients  
During the week the days seems to be long  
But on the weekend I wish the clock would reverse it's  
hand

Great things can come in a small bag  
So let's make use of the time that we have  
When we are together it must be spectacular  
As if we never miss a second of the hour  
When we are together I sit and I wonder  
If this love is gonna last forever  
Well then I think and I start remember  
That we are a just a
