on my back i lay it down for plenty
these bones to crack
i'll scream til it's empty
i learn how to dance with the dog
she's clandestine i'll spit for a foothold
these nails are mine
i'll bleed til i get hold
i learn how to dance with the dog
i set the scales i'm fishing for murder
this whore in jail
i'll bang nail in her
i learn how to dance with the dog
it's a fox it's a bird it's a snake it's a word
i heard it crawl from my veins
your name
it's your name
it's your name
i learn how to dance with the dog
