Nothing unusual
Nothing strange
Close to nothing at all
The same old scenario
Same old rain
There's no explosions here

Something unusual
Something strange
Come from nothing at all
I saw a spaceship
Fly by your window
Did you see it disappear?

Aime come sit on my wall
And read the story of all
And tell it like you still believe
That the end of the century
Is a change for you and me

Nothing unusual
Nothing's changed
I'm just a little older
That's all
But you know when you've found it
There's something I've learned
That you feel it when they take it away
Hey hey hey

Something unusual
Something strange
Come from nothing at all
But I'm not a miracle
And you're not a saint
I'm just another soldier on a road to nowhere

Aime come sit on my wall
And read me the story of all
Tell it like you still believe
That the end of the century
Is a change for you and me

Aime come sit on my wall
And read me the story of all
Tell it like you still believe
That the end of the century
Is a change for you and me
