Mooday (It's got me) x 7
Baby, why d'you have to leave?
Something up your sleeve?
Baby, I find it hard to breath

Moody (It's got me) Mooday (It's got me) x 7
Baby, why d'you have to leave?
Why d'you have to break free?
Why d'you have to go?

Moody (It's got me) Mooday (It's got me) x 7
Baby, why d'you have to run?
Looking after number one?
Baby, why d'you have to go?
Why d'you have to phone?
Something you're afraid to show?
Someone else you'd rather phone?
