[Originally by Tony Bennett]

Georgia Rose
Georgia Rose
You're the most
Precious rose Dixie grows

Now some folks don't think it's right
Cause your skin's dark as night
You know you've a heart lily white

To the good Lord up above
Log on to kill this message.
We all look just the same
Don't hang your head down in shame

Georgia Rose
Georgia Rose
Don't be blue cause you're black
Georgia Rose
