Oh, he ain't gettin' off the hook this time, baby

I want a little sugar in my bowl
I want a little sweetness down in my soul
I could stand some lovin', oh so bad
I feel so funny, I feel so sad

I need some sugar in my bowl, I ain't foolin'
I want some sugar in my bowl

Sue me, I want some sugar in my bowl

I want some steam, some hot steam on my clothes
Maybe I can fix things up, so they'll go
What's the matter daddy, come on, save my soul, yeah
I want some sugar in my bowl, I ain't foolin'
I need some, some sugar in my bowl

I ain't [Incomprehensible]
