I'ma gonna live till I die
I'm gonna laugh 'stead of cry
I'm gonna take the town and turn it upside down
I'm gonna live, live, live till I die

They gonna say, "What a gal"
I'm gonna play for the sky
Ain't gonna miss a thing, I'm gonna have my fling
I'm gonna live, live, live till I die

The blues I lay low
I'll make them stay low
They'll never trail over my head
I'll be your devil till I'm an angel but until then

Hallelujah, gonna dance, gonna fly
I'll take a chance ridin' high
Before my number's up, I'm gonna fill my cup
I'm gonna live, live, live, live, live till I die

Those blues I lay low
I'll make them stay low
They'll never trail over my head
I'll be your devil till I'm an angel but until then

Hallelujah, gonna dance, gonna fly
I'll take a chance ridin' high
Before my number's up, I'm gonna fill my cup
I'm gonna live, live, live till I die
I die
