There I go, there I go, there I go, there I go
Pretty baby you are the soul that snaps my control
It's a funny thing but everytime I'm near you
I never can behave
You give me a smile and I'm wrapped up in your magic
Music all around me, crazy music, music that keeps
calling me so
Baby close to you, turns me into your slave
Come on
Come and do with me any little thing that you want to
Anything, baby just met me get next to you
Am I insane or do I really see heaven in your eyes
Bright as stars that shine up above you
In the clear blue sky
How I worry bout you
Just can't live my life without you
Baby come here, don't have no fear
Oh, is there wonder why
I'm really feeling in the mood for love
So tell me why, stop to think about this weather, my
dear
This little dream might fade away
There I go talking out of my head again so baby won't
you
Come and put our two hearts together
That would make me strong and brave
Oh, when we are one, I'm not afraid, I'm not afraid
If there's a cloud up above us
Go on and let in rain
I'm sure our love together would endure a hurricane
Oh my baby
Won't you please let me love you and get a release
from this awful misery
What is all this talk about loving me, my sweet
I am not afraid, not anymore, not like before
Don't you understand me, oh baby please
Pull yourself together, got to do it very soon
My heart's on fire, come on and take
I'll be what you make me, my darling
Oh, pretty baby, you make me feel so good
Let me take you by the hand
Come let us visit out there

In that new promised land
Maybe there we can find
A good place to keep a lovin' state of mind
I'm so crazy mama
Never knew what love was all about
James Moody would you come on hit me, you can blow
now if you want to, we're through
